

## APPA Facilities Drive-In Workshop For Area Colleges, K-12s and Museums

**Wednesday, April 29, 2015**  
**10:00am – 2:00pm**

Kingswood Regional High School  
396 South Main Street  
Wolfeboro, NH 03894

Join your peers in the educational facilities profession for this locally held workshop and networking opportunity. *Workshop registration, continental breakfast and lunch are complimentary. Continental breakfast and networking from 9:30 – 10:00am.*

### Who Should Attend:

Facilities directors, business officers, managers, supervisors and technical personnel from area educational institutions. Facilities professionals from colleges and universities, K-12 private academies and public schools, museums, and libraries are also encouraged to attend.

### Topic Areas Will Include:

- A process in understanding your customers and the changing campus environment to meet the needs of today and anticipate the needs of the future
- Introduction to a solution-based design model that anticipates unique user needs prior to your facilities system design and upgrades
- Collaborate with your peers in two dynamic

workshops to facilitate discovery of your campus environment

- A new look at your stakeholders
- How are the needs today changing the needs of tomorrow?

### ■ How to move from now to the future...TODAY

### Presenters include:

- **Warren Rosebraugh** – Director Solutions Architects, Schneider Electric
- **Tara Canfield** – Director of Education, Schneider Electric
- **Craig Graff** – Education Segment Manager, Schneider Electric
